SENIORS

For some of us it has been thirteen years together, for a few it has been less, however, the closeness we feel for one another is the same. The 1995 Senior Class is proud of their achievements and wish to thank all who have made our graduation a reality. We wish our underclass friends the best of luck and hope that our own classmates make all their dreams come true as they leave to pursue their chosen paths. These pages represent the best of the best. The humorous, the energetic, the athletic, the talkative, the talented, and the unique.

Dear Students,
I hope this year's annual brings you countless memories. It takes alot of hard work and dedication to put together an annual. An enormous amount of time, effort, hard work and determination must be put in to making an annual a success. As editor you must make many decisions and often times complete extra pages to meet deadlines. It's hard to capture all those great times of our high school years, but I hope that something in this annual will remind you of something special that you experienced while here at PHS.

The 1994 Pocahontas Indians Football Team went beyond expectations of many. The players and coaches worked many hard hours to finish with a very respectful 7-4 record. The team made the VHSL Playoffs third consecutive year, while finishing second in the BBD. The team was lead by eight seniors who will be hard to replace. Aaron Groseclose, Jason Roberts, Cory Nunley, Chad Scarberry, Billy Milam, and Roger Hamm were named to the All BBD Team. Also, David Payne who contributed all season and Ashley Hayes who was injured in the first game. These were leaders who step forward and did the job that the coaches ask of them. Other memebers of hte team who made All BBD were Scott Shrader, Stuart Bralley, B.J. Baker, Jason Ruble, Steven Boone, and Michael Carter. It was a year that will always be remembered by all. The team reeled off seven straight victories before losing their last four Each of the last four could have gone either way. The Indians offense averaged 17.8 points per game, while the defense gave up only 9.0 points per game. The offense ewas led by Aaron Groseclose(1209 yards) and Billy Milam(618 yards). The defense was led by Jason Roberts(82 tackles,45 assists) and Cory Nunley(57 tackles, 38 assists).

The 1994-95 Varsity Cheerleaders are known as the spirit leaders of PHS. They started off the year by attending Elite's Cheerleading Camp, where they learned many new cheers, chants, and routines. As school started they worked very hard supporting the teams. With the help of the Junior High, the Varsity Cheerleaders were able to create many successful pep rallies. Everyone was involved, including the coaching staff, who on numerous times had pies thrown in there faces. These creative events provided for many memorable pep rallies and much participation from the whole student body. The cheerleaders and there sponsors would like to thank everyone who showed their "school spirit" and for making this year a success.

A SPECIAL MOMENT

A fading memory, a forgotten place,
A picture you remember, an expression on a face.
A very small moment, that is captured in time,
It stays with your heart, but it fades from your mind.

An emotion you felt, a story recalled,
A moment of happiness, a person who you saw.
They'll stay with you now, they stayed with you then, You'll never forget how, where, and when.

SIX REASONS WHY IT IS DIFFICULT TO BELIEVE THAT THE HUMAN RACE HAS THE ANSWER TO ANY QUESTION THAT WILL HELP US "LOVE OUR NEIGHBOR".

1.The single person household is the fastest growing real estate unit in the nation! 2. Fifty percent of marriages end in divorce! 3.Twenty percent of births are out of wedlock! 4.One high school student in seven admits to having attempted suicide! 5.The perpetrator of one in five homicides is a member of the victim's family! 6.Sixty percent of Americans in a recent Time/CNN poll felt the pace at which they are living hurts their health!
